(54) Title: INSURANCE PLAN

(57) Abstract: A list of humans committed to donate their own organs in case of their own death, to people on the list, thus a committed organ donors get priority, over non committed persons, in receiving organ in case he/she is in need of organ transplantation. Foundation of an organization that promotes people to become committed organ donor will increase the number of available organs for transplantation, thus reducing the waiting list of people waiting for human organ donation. The organization which runs the list of committed organ donor may issue an insurance policy stating the priority of its owner in receiving an organ donation for transplantation.
